

## **April Newsletter**

The next meeting of the Boston Cured Cancer Club for Laryngectomees will be held on April 11, 2010. Last month's meeting was well attended and very productive.

For many years we have started meeting at 1 PM. We will continue to gather at 1 PM but we will now begin the business meeting at 2 PM. That will give time for members, especially new members, time to "schmooze", get to know each other and learn from each other.

The club's main objective is to help laryngectomees. We start by visiting new laryngectomees within days of their operations. In past years we have had many club members make these visits. We now have only a few. At the April 11<sup>th</sup> meeting Karen Burns will be holding a training session beginning at 12 Noon to train new people for this important endeavor. If you have some time to devote for a hospital visit once in a while you can show new laryngectomees that there is a life after this operation. Please contact KAREN BURNS at 781-982-9199 or e-mail her at [knbspeaks@aol.com](mailto:knbspeaks@aol.com). Please contact Karen so that she will have enough material available.

We have a new website, thanks to Andre Charpentier. We are still in the process of building it. Check it out: [www.BostonCuredCancerClubforLaryngectomees.com](http://www.BostonCuredCancerClubforLaryngectomees.com)

We are looking for information to include in the website. Let us know your thoughts and ideas.

I am also looking for material for this Newsletter. I would like to make it more than just one or two pages. I would like to make it something better and more informative. Please send website and Newsletter material to me by e-mail or regular mail.

I also will be sending this Newsletter out via e-mail to all who have given me their e-mail addresses. This will save postage, get the information out faster and could provide for a more colorful multi-page Newsletter in the future.

Please join us April 11<sup>th</sup> at 1 PM for refreshments and friendship. It all takes place in the 7<sup>th</sup> floor cafeteria at MEEI.

Bob Mehrman, President  
22 Amherst Road
